### Governor Cooper

Daily update · January 26, 2018

#### NEWS

#### [Governor Cooper visits elementary school in Greensboro to address school funding concerns](#)

myfox8.com

The **governor** visited classrooms and read to preschoolers. His main priority during the visit, though, was concerns about funding class size reductions. State legislators created a mandate requiring classes have an average of 20 students, no more than 23, in kindergarten through third grade last year.
